

Moore County's Public Information Office offers a 'County 101' course.

This exciting program is aimed at Moore County residents who want to understand and share in the workings of our local government. The participants in this program get a first hand contact with the County Manager and Directors from different departments through presentations and onsite visits over a period of eight weeks.

For further information on upcoming offerings contact [Eli Arroyo-Allen](#) **910 947-6363**.
